

Website and Product Disclaimer

The information provided on this website is for educational and informational purposes only. The products sold on this site are herbal supplements and are not intended to diagnose, treat, cure, or prevent any disease.

We make no claims or guarantees regarding the effectiveness of these products for any specific health condition. Any statements made on this website about the benefits of our products have not been evaluated by the Food and Drug Administration (FDA).

Please consult with a qualified healthcare professional before starting any new dietary supplement regimen. The information on this website should not be considered medical advice and is not intended to replace consultation with a healthcare provider.

We are not medical professionals, and the content on this website is not written by medical professionals. Our products are not intended to substitute for professional medical advice, diagnosis, or treatment.

We do not hold FDA certification for our products, and our products have not undergone FDA evaluation for safety or efficacy.

By using this website and purchasing our products, you acknowledge that you have read and understand this disclaimer. You agree to use our products at your own risk, and you agree that neither Victoria Deery, Divine Naturalz, nor any associated parties shall be liable for any damages or consequences resulting from the use or misuse of our products. Purchasers assume 100% responsibility and risk for any products purchased and any results experienced.

Please be aware that results may vary from person to person, and individual experiences with our products are not guaranteed.
